Each year, Americans observe Hispanic Heritage Month from September 15 to October 15, by celebrating the histories, cultures, and contributions of Hispanics to our local community, our nation, and the world.

Wishing to pay special tribute to the Hispanic tradition, and having in mind the fact that our five Central American neighbors celebrate their Independence Day on the fifteenth of September and the Republic of Mexico on the sixteenth, the Congress by House Joint Resolution 1299, has requested the President to issue annually a proclamation designating the week including September 15 and 16 as National Hispanic Heritage Week.

It was enacted into law on August 17, 1988. OHE proudly celebrates this activity.

The value of the month was **RESPONSIBILITY** students were nominated by their teachers for showing responsibility.
